An exciting opportunity to be part of something special!

In September 2014 Walton Primary Academy became the inaugural school of Waterton Academy Trust. As a growing organisation consisting of infant, junior and primary schools Waterton Academy Trust's main aim is to ensure all children receive the education that they deserve, and Walton Primary Academy is very proud to be part of this. The school had an Ofsted section 5 inspection in February 2017 and were found to be a 'good' school with 'several outstanding features'. This is a very exciting time for our school as we proceed on our journey towards 'Outstanding' in all areas.

The Governors, Staff and Children of this friendly and welcoming academy are seeking to appoint an experienced and well-motivated HLTA to join our hard-working and supportive school team.

The successful candidate will:

- Be dedicated, positive, and resilient
- Have qualified HLTA status
- Work successfully as part of a team
- Have excellent behaviour management skills using a positive behaviour approach
- Have a particular interest in working with vulnerable pupils, alongside the ability to lead whole class or small group sessions to raise their attainment

We are seeking someone who wants to make a difference to the lives of children in our community, and have a wider impact on the life of a large academy. If you have the qualities listed above, then we would like to hear from you!

You will advance pupils' learning in a range of classroom settings, including working with individual pupils/groups or whole classes where the assigned teacher is not present, e.g. PPA cover, course cover, teacher release time or short term absence. In conjunction with the class teacher, activities will involve planning, preparing and delivering lessons as well as monitoring and assessing pupils through marking & feedback, recording and reporting on pupils' achievement, progress and development.

You will be responsible for the quality of these activities in line with school monitoring procedures.

Applicants must be happy to play a full part in the life of our school.

In return, we can offer: -

- A friendly, welcoming school
- A hard-working, dedicated and supportive staff
- A supportive and forward thinking leadership team
- A commitment to your professional development and an exciting opportunity to work within a multi-academy trust
