

Maths Homework Grid (EYFS)

Choose one activity each day

Watch a Numberblocks clip each day at: BBC or CBeebies . Use this guide here to give you ideas on what to do with your children whilst watching an episode.	Working on Numbots - your child will have an individual login to access this.
Practise counting up to 20. This can be done through playing hide and seek, singing number songs, chanting, board games etc.	Write out the digits 0 - 9. Focus on the correct number formation
Practise recognising amounts up to five or up to ten by playing these games. This can be done by reading a dice when playing board games, playing with cards, identifying how many food items on the plate etc.	Sing Number songs to practice counting, reciting numbers in order, one more, one less using number songs: Five Little Ducks, Five Little Men, Ten Green Bottles... https://www.bbc.co.uk/programmes/p065s47t
Play the Numberblocks adding game .	Practise counting backwards from 20. This can be done through playing hide and seek, singing number songs, chanting, board games etc.
Can an adult hide the numbers 0-20 around the house or garden? See if you can find them all. Then see if you can order them.	Look for the numbers on the doors of houses. Do the numbers get bigger or smaller as you go up and down the street?
Practise counting up to 20. This can be done through playing hide and seek, singing number songs, chanting, board games etc. You could count how many raisins in a packet or other food you like to eat.	Listen to a number song from the CBeebies website. After listening to them, watch again and sing along if you can. Talk about the maths you can see in the video clip.
Look out of the window and count how many houses or buildings you can see..	Play this counting game . Count how many of each animal you can see
Play this game to count and recognise numbers https://www.topmarks.co.uk/learning-to-count/teddy-numbers	Play the Numberblocks add and subtract quiz .
Explore weighing and measuring food on the kitchen scales. Ask, what happens as you place more on the scales?	Look for numerals on packaging you find around the house. Can your child recognise the numerals and count out a matching amount?
Play this game to practise counting, ordering and matching numbers to 10	Make a selection of birthday cards with numerals on the front. Can your child count out birthday candles (if you have them available) or objects to match the amount? Can they order the numerals from the smallest amount to the largest?
Choose an activity from 100 things to do indoors https://www.schoolofspreadthehappiness.co.uk/product/100-things-to-do-indoors/ Free download
