About the Trust

Investing in people and in partnerships is key to ensuring excellence and is something that as a trust we are extremely passionate about. We are proud to call ourselves an outward facing organisation and are advocates of sharing best practice and contributing to the wider system leaders' network. We encourage colleagues to take up opportunities and engage in projects outside of the trust.

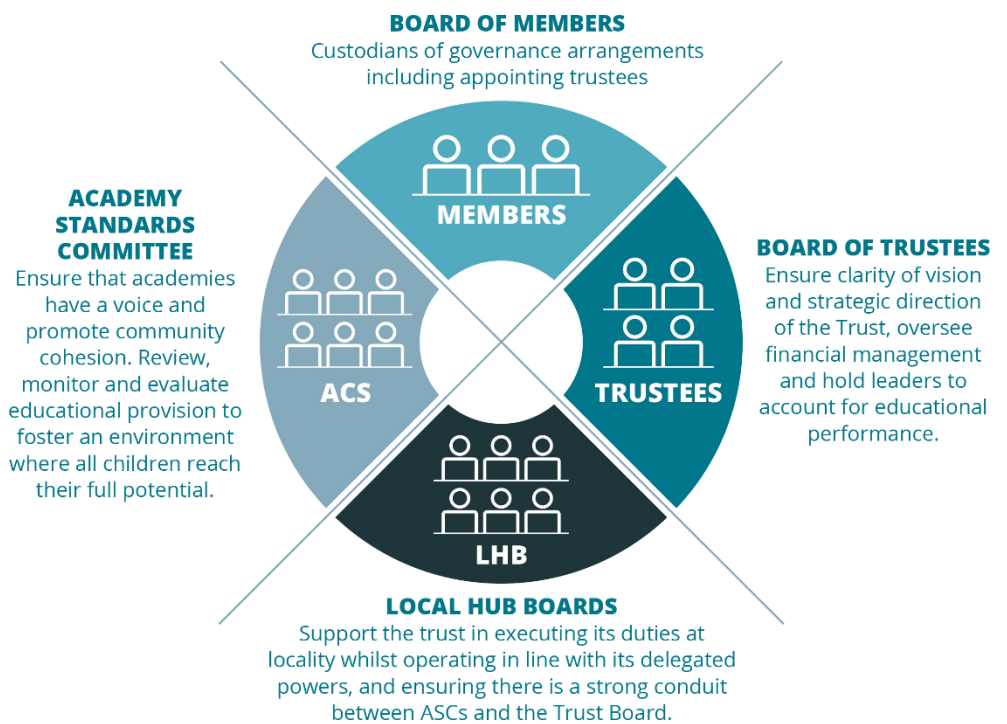

The trust has maintained a manageable geographical partnership area, one where academy staff and central team colleagues are able to travel between sites within a reasonable time frame. The trust intends to continue to grow within these key partnership areas.

There are currently fourteen academies in the trust, all are within the Wakefield and Barnsley boundaries and therefore find it easy to attend INSET, CPD and trust events. The trust has adopted a Hub Model to further support collaborative working and allow for future growth.

Governance

The trust model of Governance is based on two Geographical Hubs and is built to ensure scalability and clear lines of communication between all levels of Governance. The Members of Waterton Academy Trust commissioned a review of Governance by the NGA which took place during the academic year 17/18. This was a full 360-degree evaluation of our structures, systems and procedures. The review recommendations led to the restructure of Governance which has now been implemented.
